

# INSTRUCTIONS FOR SPEED RING 9510

Fits Lowel Tota Light

**CAUTION:** THE TOTA SAFETY SCREEN MUST BE USED WITH THIS LIGHT FIXTURE/SPEED RING COMBINATION.

## Mounting the Tota to the Speed Ring:

- 1- Remove the Manfrotto stand adapter from the box and remove the brass insert.
- 2- Attach the stand adapter to the Speed Ring by inserting the end of the stand adapter with the metal slide handle over the brass stud on the Speed Ring and tighten.
- 3- Mount the Tota to the Speed Ring as shown in the photos below.
