

Chimera's line of Low Heat lightbanks are the perfect compliment for AAdynTech's line of LED fixtures. These lightbanks match traditional Video Pro, Daylite Junior, and Quartz lightbanks for high temperature fixtures, but swap traditional Full Diffusion for a lighter density 1/8 Grid Diffusion for increased output.

HURRICANE JUNIOR

	PART NUMBER	FRONT SCREEN DIMENSIONS	LIGHTBANK DEPTH
5 in Circular Speed Ring for Daylite Junior	9642		
Daylite Junior Low Heat XX-Small	8204LH	12x16 in 30x40 cm	15 in 38 cm
